Re: Notice of Classification and Pre-/Re-Qualification

Prime Construction Contractor

Capital Improvement Program Facility Projects Extension of Expiry Date to January 1, 2021

Dear Tom:

The Office of Capital Programs is pleased to inform you that we have approved your firm and extended the expiry date of your firm's Prime Contractor Pre-/Re-qualification with the District.

Attached you will find a table listing the classification and trades you have been pre-/re-qualified to perform. Your revised period of classification and pre-qualification for Prime Construction Services is for a period commencing November 2, 2018 and expiring January 1, 2021. Please note that you are to submit a copy of your renewed Philadelphia Contractor's License for each year of this period. You are to submit a new application between October 1 and November 30, 2020 for approval for a 4-year period commencing from January 1, 2021.

If you have any questions regarding this matter, please contact James Lamoureaux at (215) 400-6822.

We appreciate your interest and look forward to working with you as a partner in implementing a successful Capital Program for the children of Philadelphia.

Very truly yours,

Gerald C. Thompson

Contracts Manager, Office of Capital Programs

School District of Philadelphia
